

Péter Rónaszéki

managing director
FORTIX Consulting Ltd.

Péter Rónaszéki deals with information security and business continuity for 18 years. He started his career in Information Security as a Business Information Security Officer in CITIbank in 1998. He then moved to work for Budapest Bank (General Electric) in Budapest (2000), Hanover (2004) and Stamford, CT (2005). He returned to Budapest in 2006 taking a position of a Head of Operational, Information and Security Risk Management in ING Wholesale Bank. Between 2008 and 2012 Peter has been working as Head of Corporate Security in Lufthansa Systems Hungária Kft, where he manages and drives a company-wide information security program. Since 2012 he is the owner of FORTIX Consulting and Mysec Communications Ltd.

Peter holds a CISA, CISM and ISO27001 Lead Auditor certificates, he is a member of the Hungarian Banking Association's information security workgroup, a board member of ISACA Budapest Chapter and a founder-member of the voluntary cyber defence collaboration (KIBEV).

He is a hobby photographer and plays music in a band.
